SUMMARY

Highly skilled and motivated Software Engineer with a proven track record of designing and implementing effective software solutions. Adept at collaborating with cross-functional teams to drive success in projects and support activities. Seeking a new and challenging experience to elevate my technical expertise and develop cutting-edge solutions.

EXPERIENCE

SOFTWARE ENGINEER
(GRADUATE, JUNIOR, INTERMEDIATE)

Gentrack Ltd. (July 2021 - present)

- Mentored junior developers, facilitating their growth and contributing to a collaborative and knowledge-sharing team culture.
- Designed and implemented RESTful APIs, improving API coverage and enabling seamless integration with third-party services.
- Worked with project and product managers to gather requirements and translate them into technical specifications for development and delivery.

IT SUPPORT SPECIALIST

Proquip Rental & Sales Pty. Ltd. (April 2021 - July 2021)

- Provided timely technical support to office staff, resolving hardware and software issues efficiently to ensure seamless daily operations.

IT & MARKETING ASSISTANT

Proquip Rental & Sales Pty. Ltd. (January 2018 - April 2021)

- Provided basic technical support to office staff, while actively supporting marketing initiatives, including social media campaigns and content creation.
